“To lead and not to follow”

Introducing our  range of headwear.

This upmarket headwear range is designed through years of experience, with the latest European and American trends in mind, all the while staying true to Africa's own unique sense of style.

Using fashionable fabrics such as Melton, Spandex, Crocodile PU and Birdseye mesh, with a wide variety of closures, such as Snapback, metal buckle and fitted.

Including our own new variety of  caps. This phenomenal collection can be used for both Fashion and Corporate Headwear. We trust that will be not only excited but delighted by the expanded, revitalized range.

To create and innovate, through inspiration by incorporating the latest worldwide fashion trends, opening the doors to distinctive and diverse new images and styles. We are pushing the edges of the envelope to continuously roll out modern - yet tried and tested designs to the African market

PROMO RANGE

Power Africa

Unique, powered up headwear designed to light the way forward. Ensuring increased visibility by using the latest technology to make you radiate. Combining a bright distinctive safety range that will make you stand out and stay safe.

Our latest **Hitec** headwear combines innovation and imagination to add light to the night:

Multi coloured LED frontal **tube** options to add lustre to your cluster
and **LED lights** to make you **spark in the dark**

LED Screens to bring your marketing ideas to life and let your imagination run free.

Frustrated by your Charger? We have the power:

Solar panels peaks provide your phone the charge it needs
when batteries are low and stress is high .

SOLAR CAP (Item SOL)

Five (5) Panel Snapback Flat Brim Solar Charging Hat. It is available in 2 colours, Red and Black. Our hat is made out of a high quality cotton fabric. Perfect for a hike or a day at the beach and a great gift idea with a WOW effect!

SOLAR CHARGE ON THE GO

Just plug your existing charger cord to the USB output located on the left side pocket of the hat to your device and let the natural sunlight hit the solar brim of the hat and your mobile phone or device will begin to charge immediately.

The solar hat charges 5V USB electronic gadgets harnessing the natural sunlight powered by our proprietary Poweraid® SOLSOL Panels.

TECHNICAL SPECS

- Monocrystalline Solar Cells (18% efficiency)
- Maximum Power at STC (Pmax) 1.16W
- Optimum Operating Voltage (Vmp) 5.2V
- Optimum Operating Current (Imp) 111-222 mA
- Open Circuit Voltage (Voc) 6V
- Short Circuit Current (Isc) 111-222 mA
- Supports 5V input charging with MicroUSB connector devices

Branding

Ignition through innovation

In House: We incorporate the most popular branding styles to bring your finished product to life. Flat embroidery, 3D or Puff embroidery and PU/Heat Press is all done **in-house**, to create a highly convenient one-stop shop.

Overseas Services: More superior, advanced and complicated branding is handled in our Factory in China where customized production is one of our specialties.

By using the latest fabric, designs, workmanship..... we assist you in leading the market with a unique, yet low cost option that commands supremacy over local manufacture.

By constantly keeping you in line with world latest development and progress. You can feel comfortable taking on anyone.

3D Embroidery

Also known as Puff Embroidery, is a special technique to give a three dimensional appearance to embroidery.

Used on Caps, Bags and Clothing

Flat Embroidery

Embroidery is a decoration technique which uses a needle and thread to create words or images on products.

Used on Caps, Bags and Clothing

Heat press Flex

PVC and Polyurethane material which is very durable.

Used on Caps, Bags and Clothing

Heat press Silicone

Ideal for smaller exclusive logo's that you want to stand out / 3D / raised effect.

Used on Caps, Bags and Clothing

Heat press Cut and Badge Flock

(Ideal for full colour logo's)

Matt / Velvet feel makes it an exclusive product. This product can be printed over seams (caps) and stitching of garments.

Used on Caps, Bags and Clothing

Cut Flock

Badge Flock

Heat press Silk

Silk that is sublimated - This has to be a Badge Product very color-fast, vibrant for full colour logo's.

Used on Caps, Bags and Clothing

Reflective Flex

Ideal to show your logo in any light conditions

Heat press Doming

Domed stickers are also known as domed or resin decals. They can be used for a large variety of applications, including Caps, Bags and Clothing

Shining PU with transparent screen print

TPU Press

Velcro applique with detachable patches

Multi-layer emboss

Colorful TPU

LED

Sublimation on a brushed suede fabric

Iridescent metal

Camo flowr patch

Eliminate the interference between your hat & eyewear

Kids baseball cap

Rubber print on felt patch

Magnet badge on visor. Golf style.

Special 3D stitches around the woven label

Double layers denim fabric with broken on front

Branding disclaimer:

Please note that the images shown on the branding pages, are purely for illustrative purposes and to highlight the various creative methods we are capable of. We are not insinuating there is any link to the afore mentioned brands and ourselves, or that we are suppliers of the branded products shown.
